

Sales Representative

Seiler Instrument Company is currently accepting applications for a Sales position in the Indianapolis area. This is a full time position focused on the sale of Mapping products including GIS and GPS equipment.

Candidates must be able to identify key customers and markets in a designated territory that would be candidates for Mapping products. Candidates should also have a sales background with experience in maintaining customer relationships, providing outstanding customer service, and staying up to date on trends in the industry.

An understanding and demonstrated experience of business development and account management, selling at all levels of an organization is desired. Excellent communication skills and willingness to learn in a fast paced environment are a must. Candidates must be confident working with computers and learning new technologies. GIS and GPS or related field knowledge is preferred. This position does require travel. Candidates should be comfortable and familiar with the geography in the Indiana state-wide region.

Candidates must have a Bachelor's Degree and a minimum of two years sales experience, preferably in a technical or related field. Additional work experience may be considered in substitution of formal education.

This is an excellent opportunity to become part of an established, industry leading organization.

Seiler Instrument Company offers medical, dental and life insurance, 401K, vacation, and profit sharing. Qualified candidates may email their resume with salary requirements to hr@seilerinst.com or fax (314) 218-6128.

Seiler Instrument is an Equal Opportunity Employer
