

# Indiana Height Modernization Forum

- What: Come rollup your sleeves and be involved in:
- ✓ Learning about height modernization and what's going on around the country
  - ✓ Learning about the economic benefits of height modernization
  - ✓ Learning about what INDOT is doing with their Continuously Operating Reference Stations (CORS) and what it means to Hoosiers
  - ✓ Developing a plan to address the needs of Height Modernization for the State of Indiana
  - ✓ Forming a team of folks who can move this effort forward\*

When: Thursday, October 25, 2007

Time: 8:00 AM – 4:00 PM

Where: Indiana Department of Transportation  
Materials and Tests Division  
120 South Shortridge Road  
Indianapolis, IN 46219

RSVP: William A. Schmidt, PE, LS, Head, Aerial Engineering,  
bschmidt@indot.in.gov

\*If interested but can not attend this meeting please let Bill know
